JURISDICTION AND VENUE

16. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a).

17. Venue is proper in this district under 28 U.S.C. §§ 1391(c) and 1400(b). On information and belief, each Defendant has transacted business in this district and has committed and/or induced and/or contributed to acts of patent infringement in this district.

18. On information and belief, Defendants are subject to this Court's specific and general personal jurisdiction pursuant to due process and/or the Texas Long Arm Statute, due at least to their substantial business in this forum, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in Texas and in this Judicial District.

PATENT INFRINGEMENT

19. Stragent is the owner by assignment of United States Patent No. 6,665,722 ("the '722 patent") entitled "Store-and-forward packet radio system and method." The '722 patent issued on December 16, 2003. A true and correct copy of the '722 patent is attached as Exhibit A.

20. On information and belief, Nokia has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Nokia's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation the Nokia model N95. Nokia is thus liable for infringement of the '715 patent pursuant to 35 U.S.C. § 271.

21. On information and belief, Motorola has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Motorola's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation the Motorola model MOTOQ with

Microsoft Windows Mobile version 6. Motorola is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

22. On information and belief, Palm has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Palm's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation the Palm Treo model numbers 700, 700w, 750, 755p, and 680. Palm is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

23. On information and belief, RIM has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. RIM's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation the Blackberry model 8820 and 8320. RIM is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

24. On information and belief, Sony Ericsson has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Sony Ericsson's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation models P1i, P990i, and w960i. Sony Ericsson is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

25. On information and belief, AOL has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. AOL's infringements include, among other things, making, using, offering for sale, and/or selling communication systems, including without limitation the AIM messaging system. AOL is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

26. On information and belief, AT&T has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. AT&T's infringements include, among other things, making, using, offering for sale, and/or selling communication devices, including without limitation the AT&T Tilt model with Microsoft Windows Mobile version 6. AT&T is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

27. On information and belief, Google has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Google's infringements include, among other things, making, using, offering for sale, and/or selling communication systems, including without limitation the Google Talk messaging system. Google is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

28. On information and belief, Microsoft has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Microsoft's infringements include, among other things, making, using, offering for sale, and/or

selling communication systems, including without limitation Windows Mobile version 6. Microsoft is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

29. On information and belief, Yahoo has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '722 patent in the State of Texas, in this judicial district, and elsewhere in the United States. Yahoo's infringements include, among other things, making, using, offering for sale, and/or selling communication systems, including without limitation the Messenger messaging system. Yahoo is thus liable for infringement of the '722 patent pursuant to 35 U.S.C. § 271.

30. On information and belief, to the extent any marking was required by 35 U.S.C. § 287, such marking requirements have been complied with.

31. As a result of Defendants' infringement of the '722 patent, Stragent has suffered monetary damages that are compensable under 35 U.S.C. § 284 adequate to compensate it for the infringement, but in no event less than a reasonable royalty.

32. Upon information and belief, Defendants' infringements are willful, at least if Defendants continue to infringe the '722 patent after receiving notice of this lawsuit.

33. This case presents exceptional circumstances within the meaning of 35 U.S.C. § 285, at least if Defendants continue to infringe the '722 patent after receiving notice of this lawsuit, and Stragent is thus entitled to an award of its reasonable attorneys' fees.

PRAYER FOR RELIEF

WHEREFORE, Stragent requests that this Court enter:

A. A judgment in favor of Stragent that Defendants have directly, and/or by way of inducing infringement by others, and/or contributing to the infringement by others, infringed the '722 patent, and that such infringement was willful;

B. A judgment and order requiring Defendants to pay Stragent its damages, costs, expenses, and prejudgment and post-judgment interest for Defendants' infringement of the '722 patent as provided under 35 U.S.C. § 284;

C. A judgment and order finding that this is an exceptional case within the meaning of 35 U.S.C. § 285 and awarding to Stragent its reasonable attorneys' fees; and

D. Any and all other relief to which the Court may deem Stragent entitled.

DEMAND FOR JURY TRIAL

Stragent, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.

Respectfully submitted,
